Junior and teenager camp (JTC) in Laax - amazing adventures for the summer holidays. Children and teenager have the possibility to learn new languages, cycle, hike, take part of excursions, learn more about new cultures, participate on the sport activities and much more.

JTC welcomes boys and girls aged 7 to 16. The campers and staff come from every part of the world, making interaction and new friendships all the more special.

Lessons: Language courses take place five times per week - for 2 hours each in the morning. The campers are divided into small classes depending on level and age and they can chose between English, French, German or Spanish.

Activities: The activities included by JTC are very multifarious. The camper, regardless if beginner or advanced, discover or learn daily. The range of possibilities goes from ball and water sport till cooking curses, there is something for everyone's taste.
